**From the Recreation Department:**

Thank You –Thank you to everyone who helped take down the decorations, your help is truly appreciated. Things are gearing up— Brenda & Bob hosted the first pavement pounders hydration station Mexican theme with piñatas and way lots of FUN!! Water Volleyball is in full swing, if you are not a player—come watch the laughter is never ending. The calendar remains full and all activities are underway.

Many activity leaders attended the REC MEETING Wed January 8th . We shared ideas and discussed ways to improve offerings to the residents/guests of the park. It was decided that children must have eached the age of 13 to attend any dances. This is for the safety of all parties. Also please consider the safety of others when bringing a leashed dog to any event. It can pose a danger of tripping. We must say again

**WE HAVE THE BEST VOLUNTEERS EVER!!**

In an effort to be informed, we have established contact times:
